

SAPA TAX Workshops 2025

Empower your team with our tax workshops—boosting skills, enhancing efficiency, and driving success through expert-led sessions!

Topics to be covered in the Workshop:

- Determination of an Independent Contractor and Personal Service Providers for Employee's tax purposes by applying relevant case law, interpretation notes and practical application of these references. This area is contentious, and compliance is mandatory to avoid exposure to a Company;
- Reimbursement, Advances and Allowances, applying the relevant statutes for the use of credit cards, cash and subsistence allowances, review of case law to practical application;
- What internal procedures are required for the allocation of Travel Allowances, combinations of fuel cards and reimbursements and the requirements of the Act;
- Company Cars- lease or purchase, tool of trade, petrol cards, insurance and how these are applied correctly in terms of the Act.

Who Should Attend:

Payroll Practitioners, Accounting Practitioners, Human Resource Practitioners and anyone involved with Employee classification or providing advice on the above.

Delegates will receive:

4 CPD points | Workshop Manual | Certificate of Attendance
